2. The Association shall in all solicitation or advertisement of employees, placed by or on behalf of the Association, state that all qualified applicants will receive consideration for the employment without regard to race, creed, color, religion, sex, national origin, marital status, parental status, age, physical handicap, sexual orientation, or gender identity.
3. The Association shall take such action with respect to any contractor or subcontractor as the City may direct as a means of enforcing the provisions herein, including penalties and sanctions for noncompliance; provided, however, that in the event the Association becomes involved in or is threatened with litigation as a result of such direction by the City, the City will enter into such litigation as is necessary to protect the interest of the City and to effectuate the Equal Employment Opportunity Program of the City of Atlanta.

4. The Association shall include the provisions of this non-discrimination section, section G, of the Agreement in every contract and subcontract so that such provisions will be binding upon each contractor and subcontractor.
5. A finding that a refusal by the Association or contractor or subcontractor to comply with any portion of this non-discrimination section, section G, of the Agreement, as herein provided and described, may subject the offending party to cancellation of the Agreement or contract or subcontract as appropriate.
